

## Assistance for Disabled Applicants

Thank you for your interest in Concurrent Technologies Corporation (CTC). It is our practice to ensure equal accessibility and consideration for all applicants. If you have a disability and are unable to apply using our online system, please call Diane Chesnutwood at 1-800-282-4392 extension 2432 to express interest in the position. This service is available from 8 AM–5 PM EST and only to those needing an accommodation related to a disability. In order to express interest, please have the information related to the specific position available (including position title and location).
