

# Going above and beyond to create innovative, customized Solutions.

We make the world safer and more productive.

**Concurrent Technologies Corporation (CTC)** is an independent, nonprofit, applied scientific research and development professional services organization. Together with our affiliates, **Enterprise Ventures Corporation** and **CTC Foundation**, we leverage research, development, test and evaluation work to provide transformative, full lifecycle solutions. To best serve our clients' needs, we offer the complete ability to fully design, develop, test, prototype and build. We deliver robust, technical, and innovative solutions that safeguard our national security, retain U.S. technological advantage, and ensure the primacy of American manufacturing.

## What we do:

### Advanced Engineering and Manufacturing

- Additive Manufacturing
- Coatings
- Corrosion Services
- Custom Fabrication
- Digital Engineering
- Electromechanical Systems Design and Development
- Environmental Engineering, Testing, and Laboratory Analysis
- Friction Stir Welding
- Hypersonic Technologies
- Infrastructure Energy
- Mechanical Design and Analysis
- Mechanical Testing and Materials Characterization
- Metrology and Inspection
- Next Generation Ammunition
- Nuclear Manufacturing
- Process Design and Engineering
- Prototyping and Custom Fabrication
- Secure Manufacturing
- Systems Engineering, Design, and Integration
- Water Treatment Process Development and Water Reuse

### Information Technology

- Agile Software Development and DevSecOps
- Artificial Intelligence, Machine Learning (ML), and ML Assurance
- Cloud Architecture and Security
- Cloud-based Mission Management and Sensor Data Exploitation
- Cross Domain Solutions
- Cybersecurity
- Edge Node Architecture and Deployment
- Extended Reality

### Readiness

- Education and Training Solutions
- Logistics Policy and Analysis Services
- Mission Assurance Support Services
- Readiness, Continuity, and Preparedness Solutions
- Safety, Occupational, and Environmental Health Services

### Dedicated to Excellence

- ISO 9001:2015 (Quality)
- ISO 14001:2015 (Environmental)
- AS9100D:2016 (Quality – Aerospace Related Products)
- OSHA VPP Star (Health & Safety)

### Contract Vehicles/Partnerships

CTC offers a diverse portfolio of contract vehicles under which clients may obtain our services. We are a member of numerous consortia, alliances, and associations. In addition, we partner with academia and other nonprofit, research-based organizations to develop innovative solutions to solve our clients' toughest challenges. Visit our website or contact us for information.
