Session Papers by CTC Staff

Tuesday, November 29 at 4:30 pm

Digital Native Learning Session in Room W304B

Personal Learning Environments (PLE): A Learner and Data Centric Approach

by Schawn Thropp, Mark Friedman and Matt Elliott

Wednesday, November 30 at 8:30 am

You CAN Get There from Here! Session in Room W304F

The Future of Browser-based 3D– No Additional Plugins Needed!

by Bill Bandrowski, Philip Double and Craig Clark

Wednesday, November 30 at 11:30 am

Managing M&S Success Session in Room 304A

Can Acquiring Structured Data Improve a Learning Content Development Environment?

by Schawn Thropp and Wayne Gafford

Thursday, December 1 at 10:30 am

Hidden in Plain Sight: Training Perceptual Skills Session in Room 304E

Finding the Truth: Interview and Interrogation Training Simulations

by David Luciew, Janet Mulkern and Ron Punako

Thursday, December 1 at 1:30 pm

Adventures in Distributed Learning Session in Room W304B

The Bridge Project: Open Source Transformation from S1000DTM to SCORM®

by Tyler Shumaker and Wayne Gafford

Visit us for a chance to win an iPad!
