SECTION I – GENERAL PROVISIONS ORDERS/SUBCONTRACTS

The following clauses set forth in the Federal Acquisition Regulation (FAR), as amended and modified below, are applicable to products or services furnished for use in connection with a U.S. Government Prime Contract or Subcontract as required by the terms of the Prime Contract or by operation of law or regulation. For the acquisition of commercial items under Subcontracts, the only FAR clauses that are required by FAR 52.244-6 are those annotated with "*" after the FAR clause number. For the definition of a commercial item see FAR 2.101. Without limiting the subcontract provisions, the FAR clauses are incorporated by reference into this Subcontract with the same force and effect as though set forth in full text. The complete text of any clause referenced may be obtained from the Subcontracts Administrator. The dates of these FAR clauses incorporated by reference are the same as the corresponding clause in CTC's prime contract or higher-tier subcontract under which this order is placed. However, statutory acquisition-related dollar thresholds referenced in any clause shall be applied using the value in effect at the time of this subcontract award, as adjusted for inflation in accordance with FAR 1.109. If any FAR clauses do not apply to a specific Order/Subcontract, such clauses are considered to be self-deleting, with the exception of applicable CAS clauses. The following definitions shall apply to this Subcontract except as otherwise specifically provided:

"BUYER" - Means legal entity issuing this Order/Subcontract.

"CONTRACTING OFFICER" - Means Buyer's authorized representative who signed this Order/Subcontract or is identified elsewhere in this Order/Subcontract and will mean Contracting Officer, whenever appropriate, where indicated elsewhere in these terms and conditions.

"CONTRACTOR" - Means Seller.

"SELLER" - Means legal entity which contracts with the Buyer.

"CONTRACT" or "SCHEDULE" or "SUBCONTRACT" - Means this Order/Subcontract "SUBCONTRACTOR" - Means Sellers' subcontractors.

"GOVERNMENT" - Means Buyer and will mean Government, whenever appropriate, where indicated elsewhere in these terms and conditions.

The Buyer and Seller acknowledge the Government's rights in acquisitions made under Government contracts and permits the Seller's use of such property on the resultant Subcontract award from the Buyer.

The order of precedence in no way takes precedence over any FAR or DFARS clause that are a part of this Subcontract.

The Seller may not communicate directly to the Government in support of this Subcontract, unless approved by the Buyer. However, this does not preclude the Seller from reporting fraud, waste or abuse directly to the Government.

All disputes involving this Subcontract that are not resolved between the Parties shall be construed and interpreted according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies, Boards of Contract Appeals, and quasi-judicial agencies of the Federal Government.

No term or condition contained therein will abrogate, limit, restrict, or waive Government rights, e.g. "nothing in this Subcontract (or any of its attachments, exhibits or otherwise) abrogates, limits, restricts, or waives Government rights.

The Seller shall include in each lower-tier subcontract the appropriate flowdown clauses required by the FAR and DFARS.

To accommodate contracts awarded under different versions of the Federal Acquisition Regulation and Defense Federal Acquisition Regulations, these General Provisions may contain both legacy FAR clauses and clauses issued under the FAR Overhaul (RFO) and deviations in the DFAR. In some instances, clause numbering, titles, or text have changed under the FAR Overhaul and DFAR Deviations. The inclusion of both versions is intended solely to ensure compliance with the contractual and regulatory requirements applicable to the specific procurement. Where both a legacy clause and its FAR Overhaul/DFAR Deviation counterpart are identified, the version required by the applicable prime contract or solicitation shall govern.
